Dear Readers

1 November 2011

Ecclesiastes 3:1 "To every thing there is a season."

"To every *thing* there is a season, and a time to every purpose under the heaven:"

Spring is here once again! We stand amazed at the seemingly dead trees and plants which begin to bud and blossom everywhere, just as God has ordained. Instead of the black devastation left by veldt fires, green patches of grass are springing forth everywhere. What a miracle! God let's everything grow in due season. Likewise there are seasons in the lives of His children. When we pass through a winter season in our lives, we go through cold and dark times of heartache, lack, political turmoil, violence and financial uncertainty. Pastor Nesor emphasises the necessity of prayer in one of our newly printed booklets: 'Gebed, die Vergete Geheim' (only available in Afrikaans currently). In these winter seasons of our lives, we could spend time with our Father and trust Him completely for a miracle breakthrough of spring in our lives! God will hear your prayer, and you shall be helped in due season.

"Let us therefore come boldly unto the throne of grace that we may obtain mercy, and find grace to help in time of need." Hebrews 4:16

"The LORD shall open unto thee his good treasure, the heaven to give the rain unto thy land in his season, and to bless all the work of thine hand: and thou shalt not borrow." Deuteronomy 28:12

"And let us not be weary in well doing: for in due season we shall reap, if we faint not." Galatians 6:9

We are sincerely grateful for all the donations we have received and can assure you that we still use it for the translation of books, transcriptions of sermons as well as the website and office expenses. The Lord is in this cause! His Truth must be proclaimed. Thank you very much and may the Lord bless you abundantly.

"Therefore God give thee the dew of heaven, and the fatness of the earth, and plenty of corn and wine." Genesis 27:28

We have regular visitors at the office who often just want to talk about the good things of the Lord. Others come because of a hunger for the Truth and the Word and others come purely out of appreciation for the legacy that Pastor Nesor left behind and because they miss him. It is this legacy we find in his books and sermons which we can give to our children, our families and friends and pray that the Lord will bless this seed to germinate and grow in their hearts until they come to the full Truth of the Word. Visit us here at the office when you are in the vicinity, we are here to be of service to you.

The following books are available:

Thank you to all who work so hard to help us here at the office. Paul and Hester du Plessis, Steve and Sarie le Roux, Anne Joubert, Jörg and Rieta Schilling as well as Adri Hearn who is presently working in Indonesia. Pieter and Zelda Pretorius who are assisting us with the hosting of our web site. We are still working on 'Angels' and Anne is translating 'The Second Coming of Christ' and thereafter the book of 'Ephesians'.

Salo Cloete who helped us with translating the book of 'Isaiah' and 'Flying Saucers' has recently been promoted to heaven. Salo and Mavis had a great love and appreciation of the Israel Truth and I believe Mavis now finds much comfort in the spreading of this Truth which she loves so dearly.

I would also like to add that we still load external hard drives with approximately 2 500 sermons and teachings, 150 books and approximately 350 DVD's. We do this free of charge when you supply the hard drive. Donations for the service are welcome.

This is the last letter to be sent out for this year. The office shall close on the 8th of December 2011 and we will be back on the 9th of January 2012. I greet you with this scripture and hope you shall keep it in your heart, make it your own and know that we are more than conquerors through Him that loved us.

"Who shall separate us from the love of Christ? Shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? As it is written, for thy sake we are killed all the day long, we are accounted as sheep for the slaughter. Nay, in all these things we are more than conquerors through him that loved us." Romans 8:35-37

Warm greetings

Words we often hear nowadays are words of anxiety and stress: "I'm stressed out about my job and waiting to be laid off or I'm stressed about my health, what the results will be of the doctor's examination or the outcome of a court case concerning a divorce or of bankruptcy etc." However, as believers we do not have to be stressed out, in fact we shouldn't be – we can anticipate coming events in faith for we have our eyes on the Lord. Even though things around us might be very disturbing, we have the Word. God's promises! In Hebrews 13:5 the Lord promises "I will never leave thee nor forsake thee" and verse 6 "So that we may boldly say, The Lord is my helper, and I will not fear what man shall do unto me."

Isaiah 53:5 says: "he was bruised for our iniquities and by his stripes we are healed." He sustains us, "for the eyes of the LORD run to and fro throughout the whole earth, to shew himself strong in the behalf of them whose heart is perfect toward Him."
11 Chronicles 16:9

And so His eyes are also upon the godless. "The LORD bringeth the counsel of the heathen to nought: he maketh the devices of the people of none effect." Psalm 33:10. "He ruleth by his power for ever; his eyes behold the nations: let not the rebellious exalt themselves." Psalm 66:7

"For the LORD will not cast off his people, neither will he forsake his inheritance." Psalm 94:14

Isn't that wonderful to know that God is a promise-keeping God?

Greetings in Jesus
Anne Nesor Joubert

FINANCIAL CRISIS

It will be impossible to foretell the outcome of this financial crisis but what we can be certain of is the fact that God does not need the good times in order to care for His children. The Scriptures are very definite about that. It is clear that the financial crisis is part of a plan of the monetary powers of the world. An interesting fact is that various big investment firms were very eager to invest in the property market, not only in South Africa but all across the world.

However, in 2005 many of these investment firms moved their investments from the property market to other options. They knew at that stage already that the monetary system would collapse whatever happened. Think for instance of the Lehman Brothers (which was the fourth greatest Investment Bank in America) where trillions of the richest rich invested their money – I say was because the firm declared bankruptcy in 2008 and the investors lost all their money. Was this planned? I think so and it was for a very good reason since the entire world was in a financial mess and anything could happen.

During this period (from 2008 to 2011) many political moves were made. You may decide for yourself whether politicians were merely pawns of other systems or could it be confirmation of the Scriptures? By the looks of it, things are very bad. But isn't it the same in the rest of the world? Things are not going well anywhere. The difference between the world and the children of God is that we have His assurance, so that we need not become anxious. Psalm 34:19 "Many are the afflictions of the righteous: but the LORD delivereth him out of them all."

Why should it be different now? He is still the same LORD! Whatever move the money powers make, God will take care of us and see us through. Think back upon your own life and see where God has brought you through. The LORD sustained you and shall keep on doing just that.

Love in Christ
